Consideration of Draft Memorandum to Chairman, USIB, on Operational Capabilities of 700 and 1100 Nautical Mile Ballistic Missiles

A statement was considered regarding the dates for Soviet operational capability with the 700 and 1100 nautical mile missiles, and the configuration of the 1100 nautical mile missile. At the request of the Air Force member, the meeting was adjourned so that he could develop a more firm position which might affect the final statement.

25X1A

The meeting adjourned at 1645 EST.
